

Certificate of completion for **Climate Risk Management Course**

This certificate acknowledges that **Mỹ Nguyễn** has successfully fulfilled the requirements of PARIMA's **Green Risk Management course** on **May 04, 2023**.

This course covers both the understanding of sustainability but also the actions required to take as not only an individual but in a risk management role to aid the sustainable transition.

PARIMA
By Risk Managers For Risk Managers

This course is in partnership between PARIMA, Airmic and AXA Climate.
