

delivering our services.

- Creating an environment that promotes voluntary reporting of safety, security, and fatigue related hazards and incidents. All such reports to be treated with utmost confidentiality with assurance that no action will be taken against any employee who discloses a safety and security concern through the hazard reporting system, unless such disclosure indicates, beyond a reasonable doubt, gross negligence or a deliberate or willful disregard of regulation.
- Develop, implement, and maintain a system to improve the safety and efficiency of our operation and the well-being of our staff.

Certificate of Completion
